EDUCATION

Bachelor of Technology in Computer Science and Engineering Present
GITAM Deemed University, Hyderabad
CGPA: 9.05/10.00

Class XII March 2024
APBIE, 96.5%

Class X April 2022
BSEAP, 97%

SKILLS

Programming Languages	Python, Java, C
Version Control	Git, GitHub
Libraries	NumPy, Pandas

PROJECTS

ScoutAI | Python, Streamlit, Google Gemini API, Google GenAI SDK Demo Link

- Developed an AI-powered startup advisor that generates end-to-end business blueprints, from startup ideation and market sizing to TAM/SAM/SOM analysis, competitor research, MVP planning, GTM strategy, and investor-ready elevator pitches by orchestrating a structured 9-stage LLM workflow.
- Delivered AI-generated startup recommendations with an average end-to-end latency of 3.45 seconds, by integrating the Google Gemini API with real-time response streaming, stateful conversations, and a modular Python backend.
- Improved the consistency and usability of AI-generated guidance, by engineering a Y Combinator-inspired prompt orchestration pipeline, interactive Streamlit UI with progress tracking, and reusable components supporting both web and CLI interfaces.

QuintoAI | Python, FastAPI, Tesseract OCR, Google Gemini API, PDF2Image GitHub repo
Developed as a part the DP World Hackathon

- Engineered a FastAPI-based backend pipeline to process user-uploaded trade documents by converting PDFs into high-quality images, applying preprocessing techniques, and extracting machine-readable text using Tesseract OCR.
- Developed the document ingestion and preprocessing workflow, including image enhancement, text normalization, and structured data extraction using regex, ensuring clean and consistent inputs for downstream AI analysis.
- Integrated the backend pipeline with the Google Gemini API, transforming OCR outputs into structured representations that enabled cross-document validation for shipping documents such as commercial invoices, packing lists, bills of lading, certificates of origin, and customs declarations.

EXTRA CURRICULARS

Campus Ambassador | GITAM Hyderabad

- Represented the university in student engagement and promotional activities.
- Organized and supported campus events, workshops, and awareness campaigns.
- Built strong relationships with students and faculty to improve communication and participation.
- Strengthened leadership, public speaking, teamwork, and organizational skills.
